WE ARE MOVING!

From **6 November 2023**, Dover Park Hospice will be operating at our new premises at the **TTSH Integrated Care Hub (TTSH-ICH)** located within HealthCity Novena. This move is part of our ongoing expansion and efforts to provide seamless palliative care across our three services – Inpatient, Day Care and Home Care.

Through our multidisciplinary team spanning Medical, Nursing, Psychosocial and Social Work, and Palliative Rehabilitation, we extend our care not only to patients with cancer but people with life-limiting illnesses, such as those with end-stage organ failure (Programme IMPACT), advanced dementia (Programme Dignity), advanced lung diseases (R.I.S.E) and severe frailty. In supporting caregivers, we empower them as partners in the caregiving journey through self-care activities (Namaste Care) and caregivers support sessions (Coffee Time for Caregivers).
